PRAKASH DEEP FLAT OWNERS WELFARE SOCIETY (REGD.)

11TH FLOOR, PRAKASHDEEP BUILDING NO.7, TOLSTOY MARG, NEW DELHI-110001.

Upon inquiry made by the members about accounts, the members were informed that the accounts of the society are audited and M/s Ambrish Rastogi & Associates are appointed as Chartered Accountant for the year ending 31st March 2016 who has already started audit of the accounts.

A copy of the statement of account & balance sheet year ending 31st March 2015 was also discussed & he informed the members that a copy of the balance sheet year ending 31.03.2015 has been kept in the office and the members are free to examine the same.

He on behalf of the RWA requested all the members to pay their maintenance charges in time and also to pay arrears, if any, on account of maintenance charges.

Thereafter Mr. Mehta, member of the committee appraised the members about the present structure stability of the property as well as the requirement of emergent repairing to be made at the property and requirement of further development in the property is increase the value of the property.

The President also addressed the members and invited suggestions from the flat owners.

The flat owners have been found to be concerned about change of users, from leasehold to freehold and the inaction on the part of the Ansal's and requested all flat owners to jointly do the needful if possible for such conversion. The RWA committee assured the members for full cooperation but at the same time advised the members to take their own initiation & take appropriate action in the matter.

Two of the members who claimed to be the owners of two different stores in the basement, represented that their stores are lying closed and are unusable because of closure of the store room as well as damp in walls & concession and rebate in maintenance charges be given to them.

Those two members have been advised that in case of store rooms are found closed, they are given rebate in their maintenance charges as per prevalent rule. They are charged 75% of the prevailing rate of maintenance charge which they must pay to enable the maintenance committee to properly maintain the property.

The members must cooperate by paying the maintenance charges in time. It is the discretion of members to keep their store room closed but they should keep it open to avoid dampness and to pay their maintenance charges in time.

All the members supported the committee and ensured the committee with their full support and cooperation.

With vote of thanks the meeting got adjourned.
