

Dear fellow Members

Election process for electing governing body of our building were announced a few days back.

The timely actions taken by the team of EOD has ensured success of first phase of timely information to all members through various means.

Now, during the ongoing second phase, nominations and authorisation letters are being received.

Third phase on 19th will start as conduct of EGBM as explained in the letter dated 4th April.

Fourth phase will commence in second half of 19th itself, when Members will cast their votes by ballot.

After voting time is over, fifth and final phase will be of counting of votes and declaration of result.

Necessary instructions and steps will be updated in this group as well as will be placed on the notice board at venue.

We look forward to active participation and cooperation of all members for smooth and successful conduct of election in a transparent and fair manner.

Election committee

11.04.2026
